

Sprint 1 Report

Product Name: Beads Net

Team Name: Weaver

Date: 10/17/2018

- **Actions to stop doing:** We should stop delaying work to last minutes, because we can not keep quality of our works. We should stop useless chatting in our meeting, even though it helped us get along, but also it made our meeting less efficiently.

- **Actions to start doing:** We should start to set more meeting so that we can communicate more on project process. We should start to practice what we learned on JavaScript and HTML.

- **Actions to keep doing:** We should keep learning on HTML and JavaScript. We should keep exchanging our ideas and experiences.

- **Work completed/not completed:**

- Completed:**

- 1. User story 1
 - Task 1 - A search bar for users.
 - Task 3 - A header with logo.
 - Task 5 - all the layout is dynamic.
 - 2. User story 2
 - Task 1 - A log-in/sign-up page layout (without linking to database) with account, password section.
 - Task 2 - A profile page layout with a profile picture box.
 - Task 3 - Add a preference section to profile page.
 - Task 4 - All the layouts are dynamic.
 - Task 5 - See the tutorial of database creating and start making it.

- Not Completed:**

- User story 1:
 - Task 2 - Result page with tables and buttons
 - Task 3 - Jump to result page after click search bar

- **Work completion rate:** The total number of user stories completed is 16h hours. The total number of estimated ideal work hours competed is 24 hours.
